

# School Charging Rates

## 1. Two-Year-old Funding in Pre School for non-Eligible Pupils

£7.19 per hour = £21.57 per session

This is the rate we could receive from government for a funded place.

## 2. School Trips

### Non-residential Trips

School strives to make these trips local and low cost. Where a cost is incurred for non-educational purposes a request for contributions from parents will be made.

### Residential Trips

School strives to make these trips as low cost as possible. Where charges are incurred by the school request for payments will be made to parents/carers for accommodation, travel and non-educational activities

## 3. Hire of premises by third parties

The following charges per hours are applied to those who request the hire of school premises. Where a service is offered to the children for free the cost may be waved or reduced.

Gym	£40 per hour
Hall	£30 per hour
Yard	£25 per hour

## 4. Lost or damaged school property
